		Fax	01372 741 414
		E-mail	abgene.customerservices@thermofisher.com
Quotation number:	UKCA2011_0015	Validity from:	01 January 2011
		till:	31 December 2011
		Past this date, prices cannot be guaranteed.	

Conditions:

Prices	All prices mentioned are in GBP (£) (and excluding VAT). All prices shown are 2011 list prices. Thermo Fisher Scientific, Epsom does not accept responsibility for possible errors within this price list. All prices are subject to change without notice. If the list price changes, the discount will be applied to the new list price. If there is a promotion on a product mentioned on this quotation, the lowest price will be applied.
Shipping & Handling charges	Thermo Fisher Scientific, Epsom, UK operates a fair freight charging policy. We endeavour to consolidate dispatches into the smallest reasonable shipment. Shipments with a weight less than 20 kg are charged at 13.50 GBP for plastics and 22.50 GBP for reagents (inclusive of ice). All shipments larger than 20 kg are charged at 0.30 GBP/kilo. Orders below a value of £75.00 will have a £10.00 small order charge applied. Freight will be charged upon invoicing.
Special Notes for Custom Synthesis	We do not guarantee functionality or turnaround time for non-standard synthesis. Our purity and yield guarantee specifications are based on analytical methods performed internally only. We do not guarantee specifications by analytical methods performed elsewhere. In the event that we are unable to obtain full-length product of the correct molecular weight and sufficient purity after the second synthesis, we will cease further attempts and charge 50% of the quoted price to defray development and synthesis costs.
Payment terms	30 days net, unless agreed otherwise

THE AGREED DISCOUNTS CAN ONLY BE APPLIED IF THE QUOTATION NUMBER IS REFERENCED ON YOUR ORDER.

This quote cannot be cumulated with any other discount or promotion. Orders cannot be processed without provision of a valid VAT Number.

Item number	Description	Packaging	List price / item (GBP)	Minimum number of units	Discount percentage	Total discount (GBP)	Total price (GBP)
AB-1127	ABgene® 1.2 ml Square Well Storage Plate, low profile	50 plates	107	1	37.5%	40	67

Quotation number:	UKCA2011_0054	Validity from: 26 July 2011 till: 31 December 2011 Past this date, prices cannot be guaranteed.	

Conditions:

Prices	All prices mentioned are in GBP (£) (and excluding VAT). All prices shown are 2011 list prices. Thermo Fisher Scientific, Epsom does not accept responsibility for possible errors within this price list. All prices are subject to change without notice. If the list price changes, the discount will be applied to the new list price. If there is a promotion on a product mentioned on this quotation, the lowest price will be applied.
Shipping & Handling charges	Thermo Fisher Scientific, Epsom, UK operates a fair freight charging policy. We endeavour to consolidate dispatches into the smallest reasonable shipment. Shipments with a weight less than 20 kg are charged at 13.50 GBP for plastics and 22.50 GBP for reagents (inclusive of ice). All shipments larger than 20 kg are charged at 0.30 GBP/kilo. Orders below a value of £75.00 will have a £10.00 small order charge applied. Freight will be charged upon invoicing.
Special Notes for Custom Synthesis	We do not guarantee functionality or turnaround time for non-standard synthesis. Our purity and yield guarantee specifications are based on analytical methods performed internally only. We do not guarantee specifications by analytical methods performed elsewhere. In the event that we are unable to obtain full-length product of the correct molecular weight and sufficient purity after the second synthesis, we will cease further attempts and charge 50% of the quoted price to defray development and synthesis costs.
Payment terms	30 days net, unless agreed otherwise

THE AGREED DISCOUNTS CAN ONLY BE APPLIED IF THE QUOTATION NUMBER IS REFERENCED ON YOUR ORDER.

This quote cannot be cumulated with any other discount or promotion. Orders cannot be processed without provision of a valid VAT Number.

Item number	Description	Packaging	List price / item (GBP)	Minimum number of units	Discount percentage	Total discount (GBP)	Total price (GBP)
AB-1323/B	ABsolute QPCR SYBR Green	4,000 x 25 µl rxns	2,068	1	40.0%	827	1,241
VAT:	20%
