

# You can get healthcare for you and your family

with a Simplyhealth Plan

## Would you like:

Face-to-face check-ups  
or appointments,  
**for your eyes,  
for your teeth,  
or even a physio session**

A Video GP service that is  
available anytime

**Where 99% of our customers are offered  
appointments within 3 hours\***

Access to a counsellor to have  
that important chat 24/7?

**Would you like to get money  
back towards these healthcare costs?**

**Then you're in the right place!** Our health plans give you the ability to claim money back towards the costs of health treatments as well as access virtual services 24/7, to help fit in with your lifestyle.

# The app centre

Virtual services play an important part in our plans to enable all customers to reach the help they need every day, from the comfort of their homes. We want you to enjoy the benefits of good health, for the long term with Simplyhealth. Find out how our apps can help you.

We are, **all together healthier.**

With the SimplyConsult app, not only can you have a video call with a qualified GP, you can also order and manage your repeat NHS prescriptions - delivery is free of charge. It's really straightforward and hassle free.

## All you need to do is:

- 1 Register using your Simplyhealth details and complete your medical profile
- 2 Select "Video GP" under Health Services, then choose a day and time that suits you
- 3 You'll receive a text reminder 15 minutes before your appointment, and a 30 second countdown. To start your appointment, you just log into the App. When the "join" button turns purple, tap it to begin
- 4 After your appointment, you can view your notes in the app

# The plan

Take a look at what our plan has to offer you. You can choose from a selection of levels so that you receive the right cover for you.

**Just to let you know.** This product meets the needs of someone who would benefit from support with everyday healthcare costs each year, such as routine dental check-ups and treatment; routine eye examinations and prescription eyewear; physiotherapy treatments; counselling service and access to a GP from the comfort of your own home.
