

Application to Transfer to Pre-submission Status

Following three years of full-time registration (or part-time equivalent), and only once all research work and data collection has been completed, PGRs may apply to be placed in pre-submission status. Pre-submission status entitles the PGR to a reduced tuition fee rate for the period of the approved application; current pre-submission fees are detailed on the [tuition fees webpage](#) (see 'Additional costs' section). Section 6 of the [Policy on Research Degrees](#) addresses applications for pre-submission status.

Before completing this application form, please read the following notes:

1. Requests to transfer to pre-submission status must be made in periods of quarters (3 months), up to a maximum of one year.
2. A transfer to pre-submission status can only take effect from the beginning of a month.
3. **A transfer to pre-submission status will only be approved if it is accompanied by a detailed timeline and plan for the period to submission.**
4. Once placed in a pre-submission status, PGRs are not entitled to conduct work in laboratories or similar facilities. They are not entitled to University accommodation or membership of or election to University committees.
5. PGRs who proceed to pre-submission status will continue to be entitled to supervision as per the [Policy on Research Degrees and the Attendance, Engagement, and Absence Policy](#), or (where requirements are higher) as otherwise determined by the relevant School. They will also retain access to the Library, Computing Service, and the services offered by the Student Centre.
6. If you are in receipt of a scholarship through the University, please contact pgr-scholarships@sussex.ac.uk for advice on the implications of transferring to pre-submission status.
7. If you are in receipt of a scholarship from a source outside the University (e.g. a government scheme), you should contact the funder directly for advice on the implications of transferring to pre-submission status.
8. If you are in receipt of a United States Federal Direct Loan, this request may have an impact on your funds. Please seek advice from the Financial Aid Office (usfinancialaid@sussex.ac.uk) before proceeding.
