Notes

- Schools have discretion as to whether or not to schedule a **reading week** which may be in week 6 of Semester 1 only. This ensures that students on joint degrees and electives taken outside their School only have one reading week. Schools must inform students of modules that do, and do not, have a reading week and provide a clear rationale for the purpose of the reading week, ensuring that an element of directed learning is provided.
- **Submission deadlines:**
 - must be staggered throughout the teaching and assessment period (including A3), to ensure deadlines are staggered.
 - Finalist deadlines in A2 should be staggered towards the start of the assessment period to allow time for marking and moderation and for marking of late submissions.
 - Staggering of deadline times (not days) may be undertaken centrally where there are multiple submission deadlines at the same time on the same day, to reduce impact on the service.
- **Exams** will be scheduled during the assessment periods and may be scheduled on the same day as a submission deadline. The University will endeavour to not schedule more than one exam on a single day for an individual student, where this is possible.
- **Resits** for all modules will take place in A3. Exams will be scheduled over the two weeks to provide an improved exam schedule (not necessarily Semester 1 exams in week 1 and Semester 2 exams in week 2).
- **Take Away Papers (TAPs)**
(24h TAPs will no longer be centrally timetabled if they are set in the assessment periods (A1/A2/A3)). Schools can schedule TAPs using the dates below and submission deadlines for the cohort must be set by the School within the following parameters to avoid a clash with an exam:
 - the 'work time' and submission deadline should not normally fall on a weekend or bank holiday
 - the week after Semester 1 week 11 (TAPs to be released on Monday 09/12/24 and submitted on: Tuesday 10/12/24 (24h) or Wed 11/12/24 (48hr))
 - A1: The week before the start of A1 2025 (TAPs to be released Thursday 02/01/25 and submitted on: Friday 03/01/25 (24h); or Saturday 04/01/24 (48hr) (inform students early to ensure they are available)
 - A2: week before A2 assessment period (w/c 28/04/25)
 - A3: TAPs to be scheduled as per principles applied to A1 and A2 periods: following publication of the exam timetable TAPs may be slotted in, or set at a date prior/ post the assessment period, with care taken to avoid clashes
 - Care should be taken in scheduling a TAP on an elective, since a student may have more than one TAP.
 - TAPs should have a release and submission time of 10am to allow for students with Reasonable Adjustments to submit on the same day.
