Progression Resit FAQs

1. When will I know if I have retakes?

Your module results, stage result and whether you have been offered any resits or sits will appear on the [Module Results section in Sussex Direct](#) on **Monday 8 July 2024 at:**

- 08:00 for Stage 3 students
- 10:00 for Stage 2 students
- 12:00 for Stage 1 students

2. When will the retakes be scheduled?

Retakes will be scheduled for the summer assessment period between **Monday 12 August to Saturday 24 August 2024**. Take Away Papers and Examinations may be scheduled in the early part of the following week.

Deadline information will be updated on your Sussex Direct Assessment Deadlines page.

3. Where can I find the resit assessment questions?

Retake questions will be published on the [Resits, assessment, feedback and submissions page](#) of the MAH internal website.

If you have a resit for a module outside of Media, Arts and Humanities, you can [find resit information for other Schools here](#).

4. Where do I submit my resit assessments?

You will need to submit to the Canvas module the assessment is for.

Full instructions about where to submit your resit can be found on the [Resits, assessment, feedback and submissions page](#) of the MAH internal website.

If anything is still unclear, you can contact the [MAH Curriculum and Assessment team](#), who will be able to advise you further.

5. What is the difference between a sit and a resit?

A resit assessment mark will be capped at the pass mark of 40%. A sit is for an uncapped mark, meaning the full mark you get on the assessment will be used for classification.

The Exam Board is able to offer a sit when you have an accepted exceptional circumstances (EC) claim for the assessment. (If you did not make an EC claim but your assessment was affected by your circumstances you may be able to [make an appeal](#) to request a sit.)

6. I have been given a trailed resit. What does this mean?

The exam board has discretion to allow a student to progress to the next stage of study whilst trailing failed modules up to a maximum of 30 credits. If you have trailed credit you will get another retake opportunity in the next summer vacation assessment period. You will not be required to repeat the teaching. A trailed retake may be a sit (for an uncapped mark) or a resit (for a mark capped at 40%).

If you are struggling to understand the modules you have failed and are worried that you won't be able to pass the resits, please contact your Module Convenors or your Academic Advisor and ask for help.

You can also contact the [MAH Student Experience team](#) for support

7. What is compensated credit?

This means that you marginally failed the module (with a mark of 35-39) but due to your general strong performance you have been awarded the credit. You will be offered an optional retake so that you have the opportunity to achieve a pass mark.

8. I have an optional retake: what is this and how do I accept or decline it?

An optional resit gives you the chance to potentially improve your grade. When deciding whether to take an optional retake it's important to note that resits are capped at the pass mark of 40%. If you have an optional sit this will be for an uncapped mark.

You may have received an email from the MAH student experience team to advise you about your optional retakes so do check your email.

You can view information and accept the offer of an optional retake via Sussex Direct.

9. What if I get a lower mark on my retake?

It is possible to get a lower mark on your retake. When you decide whether to accept an optional retake it's important to remember that the mark for your retake will stand, even if it's lower than your initial attempt.

10. What if I want to repeat the year instead of taking retakes? (Year 2 and 3 only)

You can request a repeat year by completing form 8 on the [Student applications page](#).

The deadline to submit this application is **5pm on Monday 22 July 2024**. Sussex Direct Module Results/stage results page will be updated to show the repeat stage by **Monday 29 July 2024**.

Note that you can only request a repeat year if you have failed more than 30 credits and have not previously repeated this year of study. Full conditions are noted on the form.

11. I have been offered a Repeat Year/ Repeat Term on Sussex Direct. What do I need to do to accept this?

Details of the appeals process and how to make an appeal can be found on [the Academic Appeals webpages](#).
