## Postgraduate Terms and Conditions Academic Year 2025-2026

### Summary

These Terms and Conditions accompany, and should be read in conjunction with, your offer of a place. These, together with the [University Regulations](#) codes and policies and the [online prospectus](#) for your year of entry, form your Contract with the University. This creates a framework within which both you and the University operate, supporting you to make the most of your University experience and achieve your academic potential.

Please take the time to read and understand these Terms and Conditions. If you accept your offer of a place, we will assume that you have read and accepted these terms and conditions and agree to comply with them.

In particular, you are asked to note:

- The University has **standards of expected behaviour** which it requires all students to maintain. Students must observe any codes of conduct which are in place and updated from time to time, as well as adhering to University regulations. If you do not meet the standards expected the University may take disciplinary action and consequences can include termination of this Contract, accommodation and withdrawal from your Course. Please see clause 6 for further details and [Regulation 2](#).
- The University has robust academic standards and **you must participate in your Course and meet the academic requirements**. If you do not progress sufficiently to remain on your Course, the University may withdraw you from your Course and you will not be entitled to any refund of fees although if you have met the academic criteria you may receive an exit award. Please see clause 6 for further details.
- The University will use **all reasonable endeavours to deliver your Course as described in the prospectus for your year of entry**. Whilst the University will seek to keep course changes to a minimum these may sometimes be necessary, for example if there are unanticipated staff changes, requirements by an accrediting body or updates to the syllabus to reflect current research. Exceptionally, we might need to cancel a course, for example if there are insufficient students registered to deliver education of sufficient quality for those who have enrolled or due to unanticipated staff changes which mean we do not have the requisite subject expertise. Please see clause 11 for further details about course changes.
- You must pay your **tuition fees** when due. If you do not then the University can impose sanctions, or following warnings, withdraw you from your course. Your fees may increase during your studies with us, and you may also have to pay additional costs such as specialist equipment, field trips or bench fees. Tuition fees are charged on a termly basis; if you attend only part of a term you may still be charged the full-term rate. The University can also charge for additional administrative costs it incurs if you re-sit any assessments. Please see clause 10 and our [Student Hub webpages](#) for further information.
- If your Offer is conditional, you will need to **satisfy the conditions in your Offer**. There are requirements for registration and continuation on your Course, for example all students are subject to a **satisfactory [criminal records check](#)** (clause 9), some courses require a clear satisfactory disclosure and barring service (DBS) check (clause 8) and if you have a **student visa** you must comply with its terms for the duration of your studies (clause 7). If you are unable to meet any **registration, academic or other requirements for admission**, or are dishonest with any information you provide, then your Offer will be rescinded or if you have commenced your studies you may be withdrawn from your Course (clauses 2, 6, 7, 8 and 9).

- Whilst the University will use reasonable endeavours to deliver your Course and the services under this Contract, situations may arise which are **outside of the University's reasonable control** and which prevent or disrupt our Course delivery or service provision. If this occurs, the University will try and minimise any adverse impact on you. Please see clause 13 for further information and examples of situations which the University considers are outside its reasonable control.

## The University of Sussex

### Postgraduate Terms and Conditions Academic Year 2025-2026

- 6.1 The University may refuse to offer a place on a Course or research project to an applicant if it reasonably considers that the applicant will not meet the University's academic and/or conduct standards.
- 6.2 If, prior to registration at the University, it comes to the University's attention that your **conduct** (academic or non-academic) may not comply with our Dignity, Respect and Inclusion Policy, [Student Code of Conduct](#) or our general expectations for good student conduct, or if the University has safeguarding concerns, or other reasonable grounds to consider that admission to the University is inappropriate the University may **suspend your admission**. In such circumstances, the University will invite you to provide a statement to be considered by representatives from the Admissions Team, your proposed academic school and Student Complaints, Conduct & Funding. Collectively they may decide that the University may terminate this Agreement and withdraw your offer, put in place behavioural requirements or restrictions for continued admission or allow unrestricted admission to the University. Their decision is final and is not subject to appeal. Examples of such conduct of concern could include inappropriate behaviour and conduct towards any member of the University, acts or threats to the health or safety of any member of the University, illegal acts (including but not limited to dealing controlled substances, bodily harm or physical damage) or behaviour which would breach the University's Dignity and Respect policy
- 6.3 You will engage and participate in your Course and take **personal responsibility for your own learning**. This will include attending and taking part in taught lectures, seminars and/or research; meeting [attendance](#) requirements (including in-person) engaging with teaching and support staff; making use of all available resources; and meeting academic requirements (see clause 6.4 and 6.5). If (acting reasonably) the University considers that you are not sufficiently engaging with your Course, the University shall notify you of its concerns and identify improvements for you to make, which may include targets including but not limited to attendance at lectures or seminars. If, having had notice and a reasonable opportunity to make such improvements, you are still insufficiently engaging and participating in your Course and the University considers that it is reasonably likely that you will not meet the academic requirements for your Course, then the University may withdraw you from your course in accordance with the University Regulations. You must complete your Course within the maximum period of registration which will be notified to you in writing.
- 6.4 You will maintain a good **standard of conduct** at all times – including in social media use - demonstrating respect for the University, its students, staff and our wider community. and adhering to the University's [regulations](#) together with any [codes for student conduct](#) and behaviour in place from time to time. If you do not, the University may take disciplinary action under the regulations for student discipline contained in the Supplementary Documents. One of the possible outcomes of [disciplinary action](#) is **termination of this Contract** and any accommodation licence with the University and removal from your Course. If you are in receipt of a **scholarship**, in addition to any sanctions taken under our student discipline regulations, the University may review whether your scholarship shall be withdrawn or if conditions shall be applied to your scholarship.
- 6.5 You must meet the ongoing **academic requirements** of your Course, including (but not limited to) passing modules, submission of course work and other assignments including examinations and engagement with all methods of teaching and study, including satisfactory attendance at lectures and seminars. examinations or repeat a year of study in accordance with the University's Examination and Assessment Regulations. If, following resits or repeats you have not progressed sufficiently to remain on your Course, the University will **withdraw** you in accordance with the University's regulations and you will not be entitled to any refund of fees. You will be given a transcript of your credits, and, if applicable, any intermediate awards received.

- 6.6 You agree to uphold the University's standards of [academic integrity](#). You shall ensure that you understand and observe the University's guidance on [academic misconduct](#) and comply with all policies in place, which shall be updated from time to time. All PGR students must comply with the University's [research governance and ethics policies, practices and procedures](#). Personation – which includes purchasing essays and assessments from essay mills – and the use of artificial intelligence such that you are not generating your own work will usually be considered to be a major academic misconduct.
- 6.7 Any concerns about **fitness to study** will be dealt with in line with the University's [fitness to study policy and procedure](#). If you are temporarily withdrawn on health grounds, you must satisfy the Fitness to Study Panel that your health has improved sufficiently to restart your study at the University. Professionally regulated courses also have required conditions and standards. A failure to adhere to these may call into question a student's fitness to practise and result in a fitness to practise investigation, the outcome of which could include the imposition of conditions, suspension or expulsion from the University.
- 6.8 If at any point you withdraw from your studies, the University has the right to refuse re-admittance, including if it reasonably considers that you are unlikely to satisfy the academic requirements of your Course or if your conduct is likely to fall below the standards expected by the University as set out in the Supplementary Documents. Conduct which is likely to be unacceptable includes, but is not limited to: causing distress, potential distress or harm to members of the University community; actual or potential damage to university property; disruption to the functions and operations of the University; or impeding or interfering with the pursuance of work/study of members of the University community.
- 6.9 You must complete your Course within the maximum period of registration which will be notified to you in writing. If you do not satisfy the academic requirements to complete your Course, it will be entirely at the University's discretion as to whether an **extension of time** will be permitted to enable you a further opportunity to meet the academic requirements to pass. Any authorised extension will be subject to reasonable fees.

## 7 International Students

- 7.1 When you apply to study at the University, you will need to demonstrate, at the point of registration, that you have a **valid immigration status** to undertake your proposed studies. The University will determine from the information you provide whether you are a Home or International Student. If you are not a Home Student you will be responsible for obtaining a **visa**. The University will issue you with a Confirmation for Acceptance of Studies (CAS) number if you meet the necessary criteria (as per UK government policy and/or the University's CAS issuing guidance) but **your Offer does not guarantee that the University will be able to issue a CAS number or act as your immigration sponsor**.
- 7.2 If at any point prior to registration you fail to demonstrate that you have a valid immigration status the University reserves the right to prevent you from registering on your Course (without liability to you) and to notify government authorities, including the Home Office.

## The University of Sussex

### Postgraduate Terms and Conditions Academic Year 2025-2026

7.3 You must **comply with the terms of your student visa** whilst studying at the University and in accordance with the University's responsibilities as a sponsor. The University is required to withdraw sponsorship of your visa and notify relevant UK authorities if you do not comply with the terms of your visa and/or the UK government rules, including but not limited to:

- Your registration is terminated, or you withdraw or commence an interruption of studies;
- You successfully complete your Course in a shorter period than originally planned;
- Failure to register or re-register at the University; and
- Failure to provide evidence that you have valid leave to remain in the UK.

7.4 If you have a student visa and you decide to change your Course, and this causes a change to your Course completion date, you might be required to leave the UK to apply for a new visa overseas.

7.5 If you require Academic Technology Approval Scheme (ATAS) Clearance then you will need to apply for this. Further information on [applying for ATAS clearance](#) is on our Student Hub. If your ATAS application is refused we will not be able to issue a CAS to apply for a student visa.

7.6 If your **visa is revoked** for any reason you will not be able to continue studying at the University and the University will remove you from your Course.

7.7 On occasion, the University will need to contact the UK Home Office to clarify details on outstanding visa applications and previous immigration history. By accepting these terms and conditions, you consent to the University contacting the UK Home Office on your behalf and the UK Home Office releasing such information to us.

7.8 The University is not liable for any cost that may be incurred by you to perform immigration and course of study regulatory requirements.

## 8 Provision of Information and qualifications

8.1 The University will need to send you important information, so you must always ensure that the University has your up to date contact details including an email address for an account you use regularly.

8.2 **Your Offer is subject to you satisfying and evidencing the academic and other requirements for admission.** If your Offer is conditional, you will need to satisfy the conditions set out in your Offer (such as obtaining qualifications at a minimum grade) in order to be admitted to the Course. If you have not met the conditions of your Offer before the start of the Course, the University reserves the right to withdraw the Offer. For some courses you may need to provide information about your health, or have a satisfactory health check (including providing evidence of immunisations), a satisfactory Academic Technology Approval Scheme check or a satisfactory disclosure and barring service (DBS) check. If this applies the University will notify you of the requirements to be met.

## The University of Sussex

### Postgraduate Terms and Conditions Academic Year 2025-2026

8.3 You must provide full and accurate academic and personal information to the University for application, admission and enrolment on your Course and will inform the University of any changes to this information. The University may require you to provide satisfactory **evidence** that you have met all the requirements to study at the University.

8.4 If you are dishonest in the information you provide, do not provide satisfactory evidence when requested or you withhold relevant information the University may **terminate** this Contract at any point and **withdraw** you from the University or **cancel your admission** to the University. The University will verify the authenticity of documentation provided.

## 9 Criminal Convictions

9.1 To enable the University to discharge its safeguarding obligations, your Offer is subject to a satisfactory criminal convictions disclosure by you.

9.2 You must immediately **disclose** to the University by email to [cconreg@sussex.ac.uk](mailto:cconreg@sussex.ac.uk) any **“relevant” unspent criminal convictions** which are:

9.2.1 any kind of violence including (but not limited to) threatening behaviour, offences concerning the intention to harm or offences which resulted in actual bodily harm;

9.2.2 offences listed in the Sex Offences Act 2003;

9.2.3 the unlawful supply of controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking;

9.2.4 offences involving firearms;

9.2.5 offences involving arson;

9.2.6 offences listed in the Terrorism Act 2006; and

9.2.7 any convictions from another jurisdiction which are equivalent to those at clauses 9.2.1 to 9.2.6

9.3 Convictions that are **“spent”** (as defined by the Rehabilitation of Offenders Act 1974), or will be spent at the point of starting the course of study, do not need to be declared. If you are uncertain as to whether your conviction is spent, or if your conviction is from another jurisdiction, please seek independent advice.

9.4 – You will also be required to disclose any relevant unspent criminal convictions (as set out at clause 9.2) when you register at the University.

9.5 The University’s Criminal Convictions Panel will consider any relevant unspent conviction disclosed to the University in line with the [University’s Criminal Conviction Policy](#) to determine whether it is appropriate for you to be admitted to the University. Certain criminal convictions may result in your Offer of a place being withdrawn or conditions being imposed to allow you to study at the University. Depending on the conviction, we may suspend admission or re-registration whilst the disclosure is being considered. **It is therefore important that, if you have a relevant unspent conviction, that you disclose this immediately by emailing**

[cconreg@sussex.ac.uk](mailto:cconreg@sussex.ac.uk) and complete the self declaration form which we shall send you as soon as possible to minimise any potential disruption to your studies.

- 9.6 If you are convicted of an “relevant” offence **whilst you are studying at the University** you must disclose any “relevant” unspent criminal convictions by email to [cconreg@sussex.ac.uk](mailto:cconreg@sussex.ac.uk). The Criminal Convictions Panel will evaluate whether it is appropriate you to continue on your course. The University may terminate this Contract and withdraw you from the University or impose conditions to allow you to continue your studies.
- 9.7 **Failure to disclose** a “relevant” unspent criminal conviction may result in your Offer being withdrawn. If you have already registered at the University disciplinary action may be taken and your Contract with the University could be terminated, resulting in removal from your Course.
- 9.8 Further information on the University’s policy and procedures relating to criminal convictions can be found at [www.sussex.ac.uk/criminal-convictions](http://www.sussex.ac.uk/criminal-convictions). Processing of your personal data will be carried out in accordance with our [data protection policy](#).

## 10 Fees and payments

- 10.1 You will pay the Course fees for the tuition on your Course set out in your Offer. If your Course is longer than one year, you must also pay any increase in Course fees as set out in your Offer and in accordance Clause 10.2
- 10.2 There are different Course fees for Home Students and International Students.
- 10.3 There will be **increases to Course fees** as follows:-
- Course fees for **PGT students** whose course is longer than one year (full and part-time) and who first registered on their Course on or before the start of the 2024/2025 academic year will increase by 3% (with fees rounded for administrative ease) in each subsequent academic year. These increases will be published in advance of the upcoming academic year. This is to take account of the University’s increased costs of providing educational services to you. Your fees will not be subject to any other increase.
  - Course fees for **Home PGR students** may be subject to an **annual increase**. The University follows the fee levels published by UK Research and Innovation (UKRI). The University will communicate any increase as soon as possible after UKRI publish the fees levels and it is normal practice for MPhil/PhD fees to be published in May each year. If you are unhappy with any annual increase you can withdraw from your Course without further fee liability.
  - Course fees for **International PGR students** will increase by 3% (rounded up for administrative ease) in each subsequent academic year.
- 10.4 You must pay your Course fees and any other costs, such as residential accommodation, by the dates given to you and in accordance with the **methods of payment** communicated to

## The University of Sussex

you in writing by the University. If you have an agreed installment plan, you must pay the installments of all Course fees and other payments due to the University in accordance with that plan. Further information on fees can be found at [www.sussex.ac.uk/study/fees-funding](http://www.sussex.ac.uk/study/fees-funding)

- 10.5 If you choose to **change course** then the fees may be different and you should check the published fees for that course together with the additional costs before you consider changing course. If the University requires you to change Course for any reason, including but not limited to Course cancellation, the University will pay any increase in Course fees (for the same award level) and published additional Course costs which you would not otherwise have incurred but for the required course change.
- 10.6 There may be additional costs and expenses for some courses, such as materials for projects and options to participate in field trips and visits. For information on additional costs for your Course please visit <https://www.sussex.ac.uk/study/> and search for your Course. The University can also charge for reasonable administration expenses.
- 10.7 If you do not pay your Course fees or any other payments due to the University then the University shall take action in line with the University's [Student Debt Recovery Policy](#). We can impose sanctions including but not limited to the removal of your IT and library access. If, following warnings, you still fail to pay your Course fees then the University may cancel this Contract and you may be **withdrawn** from your Course, or the University may refuse to allow you to progress and you may not be permitted to register for further academic years. The University may take legal action to recover any unpaid debt.
- 10.8 **If after completing your Course you have academic debt, including unpaid Course fees, then the University will follow the [Student Debt Recovery Policy](#). The University will withhold the award of your degree and you will not be permitted to graduate until the arrears have been paid.**
- 10.9 If a **sponsor** has agreed to pay all or part of your Course fees, you will still be primarily liable for the payment of the Course fees. If your sponsor fails to pay part or all of your Course fees, you must pay any unpaid fees.
- 10.10 If you **withdraw or are withdrawn** from your studies (either temporarily or permanently), your fees will be amended in line with the University's [Fee Liability Policy](#) . Any refund of Course fees will be made in accordance with the Supplementary Documents and any refund policy in force from time to time.
- 10.11 If you have **material arrears of rental fees** for University managed accommodation which are unpaid at the end of your Course, or other material academic-related or non-academic debt, you will not be permitted to attend a graduation ceremony and your academic award will be made *in absentia*.

## 11 Course changes

- 11.1 The University will use all reasonable endeavours to deliver your Course as described in the Offer and Prospectus and ensure that any changes to your Course are kept to a minimum. However, circumstances may change and it may be necessary to make minor variations or material changes to your Course or, in exceptional circumstances, to cancel your Course.
- 11.2 The University may make **minor variations** to your Course, including (but not limited to) in changes to module content, assessment weightings or modes of delivery in response to

student feedback, updated research or best practice, updating the syllabus (including in response to academic research or student feedback), adjusting assessment weightings or timetabling requirements or alterations due to staff changes (which may mean it is no longer possible to teach a module which was dependent on staff expertise or the content of a module may need to be revised).

- 113 The Prospectus provides an indication of **optional modules** and the University does not guarantee that optional modules will be available or that students will get their choices or preferred combinations. Whether optional modules run is also dependent upon how many students wish to take up that option. If a module is undersubscribed it may not run; if a module is over-subscribed then priority will be given to those students for whom the module is a core module and any remaining places will be fairly allocated. Optional modules are also subject to timetabling and may be grouped; if so you will choose a set number of optional modules from any particular group.
- 114 The University may occasionally need to make **material changes** to your course (such as a change to course title, a change to core modules, the nature of the award or a significantly different course structure, mode of delivery or assessment). Changes may also be needed because of circumstances outside the reasonable control of the University, including (but not limited to) unanticipated staff changes, responses necessary to meet the latest requirements of a commissioning or accrediting body (for example, changing the modules on a course to ensure that the accreditation can still be awarded) or adherence to advice from the UK government or a regulatory body.
- 11.4.1 If the University needs to make material changes to your Course **before you register at the University** we shall let you know as soon as possible. If you are unhappy then you may cancel this Contract and withdraw your application without any liability for Course fees (even if the cancellation period has expired).
- 11.4.2 If the University needs to make material changes to your Course **after you have registered** then we will make reasonable endeavours to consult with you and will notify you of the changes as soon as possible. The University will take reasonable steps to minimise any adverse effect of the changes. If you do not want to continue on your Course then the University will try to transfer you to a suitable alternative course of study. If you are dissatisfied with the alternative course of study proposed and consider that the material changes to your course have adversely affected you, you will be entitled to withdraw from your course without any further liability for course fees. The University would also make reasonable endeavours to help you transfer onto an alternative course with a different UK Higher Education provider. The University may also refund to you any course fees which you have paid up to withdrawal if it considers that the material changes adversely affect you and will consider this on a case by case basis depending on the circumstances. We will also consider compensation on a case by case for any reasonable evidenced losses which cannot be mitigated and would otherwise not have been incurred, as a result of the adverse impact of the material course changes.
- 115 If your Course includes the option for you to apply for a **placement**, it is your responsibility to apply for and secure a placement. If you are successful then the placement will form part of your Course. If you are not able to secure a placement the University will transfer you to non-placement version of your Course, provided always that you are in good academic standing.

## The University of Sussex

### Postgraduate Terms and Conditions Academic Year 2025-2026

- 11.6 If your Course includes a compulsory industry placement or practice learning arranged by the University as part of your Course, the University will use reasonable endeavours to put this in place. If it is not reasonably possible to arrange this (including but not limited to circumstances outside the University's control) the University will transfer you to non-placement version of your Course, or a reasonably suitable alternative course, provided always that you are in good academic standing.
- 11.7 You must satisfy any legal or other reasonable requirements of the placement provider including but not limited to any vaccinations. The University will not be liable for any failure to complete your Course if you have not satisfied any legal requirements of a placement provider, you fail to complete a placement or if you do not meet the standards required for satisfactory completion of a placement.
- 11.8 If your Course includes an optional or compulsory period of **study abroad**, and despite using reasonable endeavours, or due to matters beyond our control, it is not possible to secure this, the University will transfer you to a non-study abroad version of your Course, provided always that you are in good academic standing.
- 11.9 It is your responsibility to satisfy all **academic requirements** to take up a placement or period of study abroad; if you do not then your offer of a placement or period of study abroad may be withdrawn and you will be transferred to a non-placement/study abroad version of your course or reasonable suitable alternative.

## 12 Course Cancellation and Oversubscription

- 12.1 In rare circumstances, the University may need to discontinue your Course. Possible reasons for discontinuing your Course include (but are not limited to) loss of professional accreditation for the Course, loss of teaching specialist staff (including loss of an expert supervisor necessary for PhD supervision) or insufficient students registered on the Course to deliver a satisfactory quality of education.
- 12.2 If the University  **Cancels your Course prior to you registering at the University**, we will notify you as soon as possible and we will use reasonable endeavours to provide a suitable replacement course. If you are unhappy with a replacement course provided, or if the University is unable to provide a suitable replacement course, you may cancel this Contract and withdraw your application without any liability for Course fees (even if the cancellation period has expired). We will also consider paying compensation for any reasonable evidenced expenses you incur as a result of the course cancellation.
- 12.3 If the University  **Cancels your Course after you have registered at the University**, we will notify you as soon as possible and we will use reasonable endeavours to transfer you to a suitable replacement course. If you are unhappy with a replacement course provided, or if the University is unable to provide a suitable replacement course, you may cancel this Contract and withdraw from the University without any further liability for Course fees (even if the cancellation period has expired) and you will receive a refund of tuition fees paid up to the date of withdrawal. We will also consider paying compensation for any reasonable evidenced expenses you incur as a result of the course cancellation.

- 12.4 If your Course is cancelled and you do not wish to transfer to an alternative course at the University (or none is available) we will use reasonable endeavours to help you find an alternative comparable course with another UK Higher Education provider. We will consider paying financial recompense if your Course is cancelled and you have reasonable evidenced expenses for starting a suitable course at another institution.
- 12.5 Exceptionally, a Course may be **oversubscribed** and we might be unable to accommodate applicants on a Course who met the conditions of their Offer. This is likely to be very rare and usually only occur if there is a UK Government or Professional, Statutory or Regulatory Body limit imposed on student numbers. If we were unable to accommodate those applicants, we will provide different options, including deferral, offering a place on a different Course or helping find an alternative comparable course with another UK Higher Education provider. We will also consider paying financial recompense depending on the option chosen, for example paying reasonable evidenced expenses for finding a suitable course at another institution. For further information please see the [Student Protection Plan](#).
